

Summer Camp Leader In Training Job Description

Reports To: Youth Program Director & General Manager

Volunteer Position

Job Summary

Anyone can climb, so everyone is welcome. Our company is looking for someone who can help make this possible regardless of one's potential barriers. We are a rock climbing facility that has brought the community of Guelph together in a fun and active way since 1994.

We're looking for highly motivated individuals who enjoy working with kids to participate with us as summer camp leaders in training (LITs). Leaders in Training (LIT's) are responsible for helping to implement Grotto Summer Camp curriculum alongside Camp Counselors according to the curriculum developed by the Youth Program Director. The curriculum in general is the same each week at camp, with a new group of young climbers.

LITs generally help with engaging camp participants in games and activities off the climbing walls, and are assigned to a camp counselor and group of campers for a given week. LITs do not need to be top rope belay certified, however this is an asset to have for our camps! LITs are tasked with leading games and activities with groups of campers.

Our week-long summer camps are packed full of various activities including rock climbing, skill building, fun games, competitions, and weekly challenges! We also include several activities outside of climbing in the gym; campers will get to visit CTRL-V, the nearby Virtual Reality center, and visit the nearby park and pool.

Summer camp runs from July 2, 2024 through August 30, 2024.

Camps include our full-day indoor camp that runs Monday-Friday from 9:00am to 4:00pm for campers ages 8 to 12 years, and a half-day option that runs Monday-Friday from 9:00am to 1:00pm for campers aged 5-7 years.

LIT's are expected to be available from 8:45am through 1:15pm for half-day camp or from 8:45am through 4:15pm for full day camp most days.

As the LIT position is voluntary, we request a commitment of at least two weeks for this opportunity. As many as eight (8) weeks of volunteering are available. Please let us know which weeks you are able to commit to during the interview for this position!
